PROFILE

Versatile profile combining development (web, mobile, AI) with solid administrative experience and hands-on team leadership. Independent, rigorous and adaptable. Former competitive athlete – Swiss team champion (Kids Cup), long jump finalist at the ICG in Ufa.

PROFESSIONAL EXPERIENCE

NON-COMMISSIONED OFFICER (SERGEANT) – FACILITY SECURITY

JAN. 2026 – PRESENT

Swiss Air Force · Payerne & Meiringen

Promoted to Sergeant in June 2026 following a demanding selection process. Lead a squad of 8 to 70 soldiers: duty planning (guard, patrols, access control), mission briefings and debriefings, training of new recruits, accountability for equipment and weapons. Fast decision-making during incidents and reporting to command.

ADMINISTRATIVE OFFICER

SEPT. 2025 – JAN. 2026

CIAO Association · Lausanne

Pivot role between administration and IT. Ran the office relocation end to end: orders, deliveries, suppliers, budget. Migrated IT credentials (LastPass → Bitwarden) for 12 staff members. Built an internal web tool collecting data for a study on youth mental health in French-speaking Switzerland. Technical and SEO audit of the association's websites (Screaming Frog, Google Analytics).

WEB & MOBILE DEVELOPER (IOS)

SUMMER 2024 – PRESENT

Personal projects · amineben.ch

Qiyam – native iOS app (Swift, Supabase) for spaced-repetition Quran revision, designed and shipped solo on the App Store: 250+ downloads in 3 months, across more than 60 countries, rated 5 stars. « Simple Je » charity fashion show: optimised online donation page (UX/UI, conversion), CHF 32,000 raised. Full project list on amineben.ch.

LEGAL MINUTES CLERK

SUMMER 2023

SJA Avocats SA · Lausanne

Drafted hearing minutes for a confidential case: several weeks of one-to-one interviews with parties and witnesses, transcribed faithfully, neutrally and ready for counsel to work from. Absolute discretion and accuracy under time pressure.

PRIVATE TUTOR

2022 – JAN. 2026

CVAJ · Lausanne

One-to-one tuition in mathematics, physics and chemistry – also languages and history – from lower secondary to the Swiss Matura. Complex concepts broken down at each student's own pace; up to 4 weekly students managed fully independently.

ADDITIONAL

LauzHack DeepFake 2024 – 3rd place at the AI image generation and detection hackathon

Category B driving licence · Street workout and running
